Housing Inspections 101 with Virtual Walk-Thru Photo Inspection

Presented by: Gregory Smith

Class Description: This course will provide the attendees with an overview of the creation and implementation of a rental inspection program within their jurisdiction and how to conduct housing inspections. Referencing the 2015 International Property Maintenance Code the instructor will cover the basics of how to create an inspection program, how to interpret and enforce code requirements, and walk through the inspection process using photos of actual violations. The attendees will interact with the presentation and the instructor by identifying code violations and applying the correct code section from the IPMC.

Day Two

Thursday, April 16, 2020

8am-4:30pm

.7 CEU's

Success Skills for Leaders

Presented by: Tim Schneider, Aegis Learning

Class Description: The challenges of day-to-day operational reality for leaders is large. To effectively lead, a set of personal skills is needed to enhance efficiency, take care of self and deal with the difficult people that pop up. Leadership TRANSFORMATION-Success Skills for Leaders provides the personal skill set needed to navigate successfully and thrive in the modern working environment.

Beginning with the key elements of time management including prioritizing, time/task blocking, reducing time parasites and scheduling, this program will enhance your personal productivity immediately. Stress management tools follow that help you cope and better understand the stress and from where it originates. The final set of skills will help you diffuse and win over difficult people. The Aegis Learning model of Listen, Validate, Respond will help you with those prickly team members, customers and even family.
